CLIMAGUARD TOP WITH DUAL GUTTERS

This top comes with a 360° double rain channel, clogproof downspouts and a wider, longer coverage area. You will stay dry. Keeping your ball dry is still up to you.

AUTOMOTIVE STYLE DASH

With four cup holders; a center storage area for wallets, cell phones, and personal items; six ball holders; six tee holders; and big, easy-to-clean storage compartments on each side, you may accidentally drive it home.

FOLD-DOWN CLEAR WINDSHIELD

With a contoured bottom designed to hug the front of the vehicle and seal out the element, these high impact clear and tinted windshields have a flexible rubber hinge that allows the windshield to smoothly fold and lock in place.

BEST FRONT & REAR BUMPERS IN THE INDUSTRY

You know and we know: things happen out there. So we made our bumpers with thicker walls and textured surfaces to withstand mishaps. They're the same height front and rear to minimize damage. They release air on impact; in fact, they're 5 mph rated.

LARGE COMFORTABLE ARMREST

Exactly how important is an armrest? Depends on whether it's done right. Ours is strong, made of steel-reinforced, glass filled polypropylene. It's larger and wider than previous models, but it doesn't interfere with entry or exit.

LARGEST, MOST COMFORTABLE SEAT IN THE INDUSTRY

Deep, supportive contours provide unmatched comfort. The widest seat in the industry is designed to accommodate occupants of different heights and sizes. Its made of pure, supple foam bonded to a seamless, durable vinyl backed cover and its polypropylene seat.
