# THE BEST CAR JUST GOT BETTER

Irrigation Products International is the proud distributor of the world renowned  
Yamaha Golf Car, well known for being the most technologically advanced  
vehicle available in "Golf Transportation" today. Yamaha Golf car is not only  
the superior in Technology, Design, Safety and Driving comfort, it is also the  
best value for your money.

“Golf is not just about playing the game;  
it's a complete lifestyle, of health,  
fitness and camaraderie.”  
—Kapil Dev

# High Performance & Technology

## *PDA-based diagnostics & programming*

A common PDA with an infrared wireless connection allows for communication with the motor control unit on The Drive®. In addition, it enables customization of the speed and regenerative braking using 25 settings to match your course and terrain. It stores and displays battery and vehicle data such as Amp hours, miles/rounds as well as diagnostic and troubleshooting information, helping you to get peak performance and get maximum profitability from your fleet.

## **Reliable, Efficient & Superior Electric Car**

The all new Cruise features bold new colors and new body styling, It's more luxurious, and offers more value than ever. And as if that weren't enough, we've built in new features and accessories designed specifically for your player's comfort and convenience - in fact, after your players experience the difference, they won't want to play without it.

The Yamaha Golf car is the in-demand car at golf courses across the world. Featuring ample leg room, the most comfortable seats in the industry, the biggest bagwell and a smart sporty design, the car is an ideal fit at any Golf course.

# WHY YAMAHA ?

## 4 REASONS AT LEAST ...

- Yamaha-built smart charger & Motor Control Unit for maximum efficiency
- Shock absorbing bumper for enhanced protection
- Independent front suspension

### RELIABILITY

- Lowest Maintenance Cost in the Industry
- All India Service Network
- Spare Parts Backup

# Features

## ***Best occupant space of any Golfcar***

The widest seat in the industry is designed to accommodate occupants of different heights and sizes. Its made of pure, supple foam bonded to a seamless, durable vinyl backed cover and its polypropylene seat base won't sag, rot or warp despite daily abuse and repeated washings.

## ***Climaguard Top™ with Dual***

Our sun top is wider and extends farther in the front for maximum occupant protection, and it's longer in the rear to give maximum protection without interfering with the clubs. It is the only one in the industry that has 360° double rain channel, and its integrated water drain system has an exclusive clog-proof design.

## ***Most Powerful 48V Motor with Yamaha Genius2 PDA***

The high power to briskly climb uphill favorably similar to gasoline engine model. On downhill, the speed is controlled by the built-in regenerative brake system fitted as standard for returning the energy back to the battery.

## ***Easiest to use, near the driver. And stylish like automobile***

Large storage capacity with good access without affecting the driving space - this is an ideal Dashboard.

## ***Best Front & Rear Bumpers in the Industry***

You know and we know: things happen out there. So we made our bumpers with thicker walls and textured surfaces to withstand mishaps. They're the same height front and rear to minimize damage. They release air on impact; in fact, they're 5 mph rated.

## ***Independent Front Suspension***

Automotive-inspired fully independent front suspension systems offer the smoothest ride available in a golf car. You always know luxury when you feel it.

## **OUR NEW TECHNOLOGY LEADS THE INDUSTRY**

Our QuietTech EFI cars, now equipped with Independent Rear Suspension, are the quietest, most comfortable on the market. PowerTech AC cars prioritize energy efficiency while offering all the power you need - rapid acceleration, smooth uphill climb, and exceptional battery strength and endurance. With our quiet gas cars boasting a 261-mile range and our electric cars wielding an industry-leading 6.5 horsepower motor, making a decision between the two simply comes down to preference. Either way, the choice is yours.

# ACCESSORIES

## **Side Mirror**

The 4-1/8" x 7-3/4" convex mirror comes with 3/4" and 1" bar clamps to fit many golf cart models. Breakaway feature helps eliminate damage. Made with durable ABS plastic. Ball-and-socket joint for easy adjustment. Fits either right or left side.

## **Light Kits**

Customize the Cruise with these sealed halogen headlights and taillights.

## **5 Panel Mirror Kit**

See everything going on behind you with this sleek style 5-panel rear view mirror kit. Includes all necessary mounting hardware.

## **Club & Ball Washer**

Includes necessary universal mounting hardware to mount on either the left or the right side. Fits side by side with Sand Bottle.

## **Sand Bottle Kit**

Includes necessary universal mounting hardware to mount on either the left or the right side. Fits side by side with either the Sand bucket, Six-pack Cooler or Club and Ball Washer.

## **Cooler Kit**

Black roto-molded, single-wall construction with attached flip-up lid. Comfortably holds up to six soft drink cans or four 16.9 oz. water bottles with ice. Easily removed and portable using the attached handle. Comes with all necessary mounting hardware to install on either left or right side. Fits side by side with the Sand Bottle.

## **Rain Cover**

The Yamaha Over-the-Top Enclosures has been precision engineered for a custom fit for each sun top. Features an over-the-top, trackless style design.
